Product Description

Delight Racing Titanium Exhaust Slip On DEP R022 Delight Suzuka is one of Japan's leading manufacturer for custom Ducati parts. Delight has created a slip on exhaust for the V4, which has been tested at the Suzuka track. This a track focused exhaust, and Lanesplit is delighted to be Delight's partner in marketing this product for the very first time in India. Slip On exhaust details ■ Exhaust pipe, silencer: Titanium ■ Bolt-on ■ Compliant with race inspection (MFJ Domestic Technical Regulations 6000rpm 105db or less compatible) ■ Weight 4.4kg (Normal 6.6kg -2.2kg) Customers who install this slip on need to order the fender eliminator (sold separately). UP-MAP and servo eliminator are not included.
