Product Description

GB Racing Clutch + Alternator Cover + Protection Set CP-ZX6-2013-CS-GBR The kit includes: Kickstand pawls (BA12-8-GBR-SET) + Chain guard (CGA09-GBR) + Alternator guard (EC-ZX6-2009-1-GBR) + Clutch guard (EC-ZX6-2009-2-GBR) + Pick-up protection (EC-ZX6-2007-3-GBR) GB Racing is a specialist in motorcycle protection, producing frame, engine and fairing protections for the motorcycles of the most prestigious brands. The innovative GB Racing protections are made using a hot forging technique in sturdy 6.6 nylon, making them much more resistant to abrasion, heat developed by the engine and impact. Structurally, the Nylon fiber absorbs the kinetic energy of impact better, while the hot injection of the components during the construction phase allows effective elasticity. In addition to the undoubted improvement of the aesthetics of the bike, the protection of the engine and the frame remain the main purpose of the GB Racing components, protecting all the most delicate parts from accidental collisions or sliding with the asphalt, as well as from bad weather, dust and debris from from the road surface.
