Product Description

Mivv GP Pro Titanium Full System Exhaust B.032.L6P Made to improve the aesthetics, sound and performance of the bike, the Mivv exhaust system is born from the utmost attention to design, with the aim of satisfying those who want to stand out, even through the look of their bike. GP PRO shows a semi-artisan TIG welding, a compact and essential design and an aggressive sound. Inspired by the world of racing, the exhaust pipe is equipped with a removable protective grille that hides the dB-killer. On the terminal there is the characteristic Mivv logo realized by laser. It is characterized by a central body in black stainless steel with a “Black Satin” brushed effect, obtained with a special coloring process that gives the product a more aggressive look.

Product Description

Mivv Mk3 Carbon Exhaust Slip On

B036LM3C

Designed to improve the aesthetics, sound and performance of the bike, Mivv slip-on exhausts are the result of maximum attention to design, with the aim of satisfying those who want to distinguish themselves by the look of their motorbikes. The MK3 line, resulting from the experience acquired in Moto3 and Moto2 world championships, is the perfect synthesis between performance and technology. With a design similar to the exhausts made for world championships Moto3 the MK3 is a compact product, capable of releasing the captivating mivv sound. The Carbon version features a central body in glossy carbon that, in combination with the protective grid on the exit cap, gives the product a particularly high tech look.
