Product Description

Mivv Delta Race Black Inox Exhaust

H.084.LDRB Material : BLACK INOX CARBON CAP Made to improve the bike's aesthetics, sound and performance, the Mivv slip-on exhaust comes from the utmost attention to design, with the aim of satisfying those who want to stand out, even through the look of their bike. The DELTA RACE exhaust is characterized by an exclusive shape which, through a gradual transformation, from conical to hexagonal. There are many details that make its style unique, such as the 3K twill carbon end cap; the perimeter band with double riveting; the input bushing machined from solid, to offer maximum coupling precision. The characteristic Mivv logo created by laser is present on the terminal. It is characterized by a central body in black stainless steel with a "Black Moon" effect, obtained thanks to a special ceramic-based painting process which gives the product a more aggressive look.

Product Description

Mivv GP Pro Black Steel Exhaust

H.084.LXBP

Material: STEEL BLACK

Made to improve the aesthetics, sound and performance of the bike, the slip-on Mivv exhaust system is born from the utmost attention to design, with the aim of satisfying those who want to stand out, even through the look of their bike. GP PRO shows a semi-artisan TIG welding, a compact and essential design and an aggressive sound. Inspired by the world of racing, the exhaust pipe is fitted with a removable protective grille that hides the dB-killer. On the terminal there is the characteristic Mivv logo realized by laser. It is characterized by a central body in black stainless steel with a "Black Moon" brushed effect, obtained with a special coloring process that gives the product a more aggressive look.

Product Description

Mivv Oval Carbon End Cap Exhaust

H.084.L3C

Material : CARBON WITH CARBON CAP

Made to improve the bike's aesthetics, sound and performance, the Mivv slip-on exhaust comes from the utmost attention to design, with the aim of satisfying those who want to stand out, even through the look of their bike. The exhausts of the OVAL line adapt perfectly to any type of motorcycle. The Oval muffler, finished with great attention to detail, represents the best compromise between design and performance. Characterized by a body and cup in high thermal resistance carbon, the exhaust has open slots on the cup, a detail that gives the silencer a sportier design.
