Product Description

Domino Hand Grip A01041C4840B7-0 Domino produces a wide variety of grips for its own controls, designed for handlebars with diameter of 22 and 25.4 mm, for a range of motorcycles. Why use Domino? It is vital to know the precise feel of your throttle control, which allows tiny hand movements to channel the exact power you want from your motorbike. Domino is second to none in the art of motorcycle controls. This is why most European motorcycle manufactures choose Domino as original equipment.

Price: ₹3,100.00

Categories: [Hand Guards](#)

Product Description

Hammer Enduro E MX Hand Guard & Handlebar Mounting System

Hammer is the new model on Polisport's handguards line with 1-point-mount, for MX and Enduro. With it comes a new universal mounting system developed for simple and quick installation and a perfect fit on crowded handlebars. The HAMMER offers a large plastic shape to protect hands and master cylinder, and 2 positions of horizontal adjustment to allow some level of customization when installed. The minimalist design, with horizontal oriented vents and carbon texturized plastic cover, will match your bike and give it a stylish look. Hammer handguard is available in Black.

Features

- New universal mounting system for quick, easier mounting and a perfect fit
- Large plastic guard to ensure the optimal protection for hands and master cylinder
- Slim and low-profile

- Horizontally orientated airflow vents for better cooling
 - Quick and easy installation
 - Mounting system bolted on the front of the plastic guard for easy installation and removal
 - Adjustable horizontally in 2 positions
 - All hardware included
 - Mounting kit provides a wider range of installation on the handlebar
-

Product Description

Polisport Hand Guard MX Force & Universal Mounting System

8308700001 - Black MX Force features a new universal mounting system that allows installation between grip and master cylinder and goes above the handlebar. This will make most of the space available and maximize protection. MX Force is highly ventilated and has a lightweight design, with clean and straightforward lines that will match any modern motorbike. It will provide the needed coverage for hands and master cylinders in any situation.

The MX Force is also adjustable horizontally in 2 different positions.
