Product Description

Sprint Filter P08 is a standard performance air filter, ideal for street legal use or track day. Sprint Filter P08 uses a special polyester filtering media with a wire diameter of only 70 microns. Its unique weave pattern can filter debris as small as 80 microns while having the highest permeability for any other air filter brand on the market. The increased airflow of the P08 air filter will help maximize your motorcycle power potential while offering excellent filtration protection. Minimal maintenance Remove the filter from the airbox, blow it clean with compressed air, and reinsert it. No washing, cleaning or oil treatment needed. Product lifecycle The P08's polyester material will display no deterioration or loss of structure or performance if looked after with care.
