Product Description

Aella Frame Slider AE-68140 Japan's most famous accessories and special parts company has teamed up with Lanesplit. Introducing Aella's frame sliders for the Ducati Monster 937. These are hand crafted in Japan. In the case of a conventional slider due to the shape of the frame, the left and right mounting heights will differ, but the new design has been made so that they are almost the same height. AELLA's unique taper shape makes it less likely to stick out, and the slider functions well while maintaining a clean impression. The frame slider suppresses damage caused by unexpected falls.
