Product Description

Bonamici Clutch + Alternator Protector Kit CP081B Color: Black Resistant and light protections that minimize damage during falls without affecting the weight of the bike. From the collaboration with the teams that run in the world superbike, the engine crankcase guards of Bonamici Racing are born. Made of high-strength aluminum alloy, machined from solid with CNC technology and finished with black anodizing, the kit perfectly protects the motorcycle's crankcase in the event of a fall. Bonamici Racing boasts the widest range of aluminum engine protections dedicated to the major sports bikes on the market.
