Product Description

Bonamici Racing Engine Protection Kit CP074 The insertion refers to the engine guards right side clutch / distribution + left side. Tough and lightweight protectors that minimize damage during falls without affecting the weight of the bike. From the collaboration with the teams that race in the world superbike, the engine crankcase protections of Bonamici Racing are born. Made of high-strength aluminum alloy, machined from solid with CNC technology and finished with black anodization, the kit perfectly protects the motorbike casings in case of any falls. Bonamici Racing boasts the widest range of aluminum engine guards dedicated to the major sports bikes on the market.
