Product Description

CNC Racing Stainless Steel Dual Color Handle Bar Ends

CM431SG Color: Silver / Gold Handlebar counterweights made from solid stainless steel using CNC machines. The external caps made of aluminum with subsequent colored anodization give an attractive aesthetic. The kit comes with rubber expanders of various sizes for mounting on all types of handlebars. On motorcycles equipped with standard handguards it will be necessary to remove them. The kit consists of 2 pieces, weighing 205 g each
