Product Description

Mivv Delta Race Black Steel Full System Exhaust

T.022.LDRB Made to improve the aesthetics, sound and performance of the motorcycle, the Mivv slip-on exhaust comes from the utmost attention to design, with the aim of satisfying those who want to stand out, even through the look of their bike. The exhaust is characterized by an exclusive shape which, through a gradual transformation, from conical to hexagonal. There are many details that make the style unique, such as the 3K twill carbon pad; the perimeter band with double riveting; the inlet bushing machined from solid, to offer maximum coupling precision. On the terminal there is the characteristic Mivv logo made by laser. It is characterized by a central body in black stainless steel with “Black Moon” effect, obtained thanks to a special ceramic-based painting process that gives the product a more aggressive look. Technical Features Cover material: Black stainless steel Back material: Carbon Internal structure material: Stainless steel
