Product Description

Mivv Delta Race Stainless Steel Carbon Exhaust

H.084.LDRX Material : INOX CARBON CAP Made to improve the bike's aesthetics, sound and performance, the Mivv slip-on exhaust comes from the utmost attention to design, with the aim of satisfying those who want to stand out, even through the look of their bike. The DELTA RACE exhaust is characterized by an exclusive shape which, through a gradual transformation, from conical to hexagonal. There are many details that make its style unique, such as the 3K twill carbon end cap; the perimeter band with double riveting; the input bushing machined from solid, to offer maximum coupling precision. The characteristic Mivv logo created by laser is present on the terminal. It features a brushed stainless steel body with a "pearl" effect, obtained thanks to a special finishing process that gives the product an inimitable look.
