Product Description

Mivy Double Gun Titanium Exhaust

K.052.SDG Exhaust's material: TITANIUM Made to improve the aesthetics, sound and performance of the bike, the Mivv slip-on exhaust comes from the utmost attention to design, with the aim of satisfying those who want to stand out, also through the look of their motorbike. DOUBLE GUN BLACK is a very light, essential and full of character product. Aggressive and very short, it is entirely made of black stainless steel with a "Black Moon" effect, obtained thanks to a special ceramic-based painting process that gives the product a more aggressive look.
