### Product Description

**The Lanesplit by Mivv full system exhaust is a special collaboration for the first time ever in India!** 74.K.036.LXS The exhaust has been custom designed by Mivv solely for Lanesplit. It is sold only in India for the Kawasaki Ninja 300 spec bike and it improves the look, sound and performance of the bike. It is ideal for those who want to stand out on the road. The GP exhaust is a short, round-shaped silencer with removable dB-killer, inspired by racing bikes. It is made of stainless steel with a brushed finish. It was created by Mivv engineers, sales and marketing teams, the Italy distributor and Lanesplit team. We are proud to be the first and only Indian company to team up with one of Italy's most prestigious exhaust manufacturers to offer this unique product to our Indian customers. The advantage of using this full system exhaust
