### Product Description

Motocorse Fuel Tank Cap

102197027

Tank Base Color: Red Cap Color: Red Material: Aluminum Motocorse tank plug is made of aluminium alloy (Ergal) and constructed through the use of CNC machines. The finish is obtained by anodic oxidation in 4 different colors: Silver, Black, Gold, Red. Perfect substitute for the original one, Motocorse tank plug is 50% lighter. Motocorse stands out from other brands thanks to its particular attention to detail and innovative processing with high precision machinery. Motocorse's philosophy has its roots and inspiration from its history, based on the design, development and marketing of high quality products.

**Lanesplit is the only company to bring Motocorse parts to India, thanks to its product partner WRS NOTE: The tank cap and all the small parts necessary for correct assembly are included in the package.**
