Product Description

Arrow Maxi Race Tech Dark Aluminum Exhaust

71805AKN

Technical Features :

External Silencer Material : Aluminum Dark

Internal Silencer Material : Stainless Steel

Silencer End Cap Material : Carbon

Link Pipe Material : Stainless Steel

Brembo Brake Pad Front BMW R 1250 GS

07GR90SA

[Read More](#)

SKU:

Price: ₹3,900.00

Categories: [Brake Pad](#)

Product Description

07GR90SA Product Detail This is a sintered compound, specific for front application,

characterized by excellent efficiency in all conditions of use. It therefore represents an ideal alternative to original brake pads, both when cold and when hot. This compound is characterized by low wear which guarantees long life and suitable mileage. 2 brake pads are sold with this set. They will fit 1 caliper.

Brembo Master Cylinder 19RCS Corso Corta 110C74010 BMW

110C74010

SKU:

Price: ₹41,000.00

Categories: [Master Cylinder](#)

Product Description

Brembo 110C74010

The 19RCS CORSA CORTA is characterized by the possibility it provides the rider to adapt the braking "bite point" to the desired riding feeling, in addition to the RCS (Ratio Click System), introduced 10 years ago on the Brembo 19RCS radial brake master cylinder, which allows the center distance of the master cylinder to be adjusted to "18" or "20". The master cylinder body is made of forge aluminum alloy, machined with 5-axis CAM technology. A hard oxide coating is used for the surface finish, which guarantees that the master cylinder main body is highly resistant to wear and its components move easily. The floating piston and the seals derive directly from those used in MotoGP, as do the housings for the bleeding and fueling systems, which are inclined by more than 30° to make bleeding the master cylinder easier.

SC-Project SC1-R GT Carbon Fiber Exhaust Slip On BMW R 1250 GS

B30B-105C

[Read More](#)

SKU:

Price: ₹115,000.00

Categories: [Exhausts](#)

Product Description

SC-Project SC1-R GT Carbon Fiber Exhaust

B30B-105C From the iconic SC1-R, the R&D department of SC-Project has designed and developed the new SC1R-GT muffler. Specifically designed to meet the motorcycle segment *Maxi Enduro* and *Crossover*. A large volume exhaust, which integrates perfectly with the lines of Your Bike. The silencer was designed to last over time. Our engineers have opted to use the best materials with advanced production processes. The T.I.G. welds, the sound-absorbing material resistant to very high temperatures and the insert bushings machined from solid by CNC machining embellish the SC1-R GT silencer. The lightweight outer body in carbon fiber, the exit pipe obtained by hydroforming and the carbon fiber end cap allow a great saving in weight compared to the vast majority of the standard silencers. The SC1-R GT slip-on has an immediately recognizable aggressive and sporty acoustics, while complying with Euro 5 requirements. SC-Project wanted to make the silencer exclusive and inimitable with the logo on a metal plate. The entire system can be further improved with the addition of a carbon fiber protection made in the autoclave included in the kit. Compatible with the BMW original bags. Not compatible with the BMW R 1250 GS ADVENTURE version. **Kit contents**

- Slip-On muffler
- Link pipe
- Springs and screws
- Carbon heat protection
- SC-Project stickers
- 24 months SC-Project official warranty
- Homologation card

Please note that this exhaust system is custom built on order basis. Please allow 6 -

12 weeks from order to delivery.
